## Best Beach Towns

*I've washed up on so far*

- Saugatuck, Michigan

Highlights: Oval Beach, Mermaid Bar & Grill, the outdoor patio at Woosah Outside Coffee

10/10  
would  
visit  
again!

- San Francisco, California

There are picnic tables w/ swings for seats!

Highlights: Half Moon Bay, the Japanese Tea Gardens, City Lights Booksellers

- Kennebunkport, Maine

Highlights: Franciscan Monastery walking paths, lobster rolls w/ clam chowder at The Clam Shack, super kooky ice cream menu at Rococo's.

Ever tried  
sweet avocado  
cayenne or  
goat cheese  
blackberry  
chambord?

- Galway, Ireland

Highlights: Inis Mór island, live music in the Latin Quarter, banoffee pie at Flannery's Hotel.

- Juodkrantė, Lithuania

Three words: Hill. Of. Witches.

J.K. O'Donnell's in Fort Wayne makes a superb banoffee pudding, if you're in the area ;-)

## Witchy self-care\* guides

\* not a sub for mainstream healthcare. Srsly, take your meds and keep your doctor/therapy appointments.

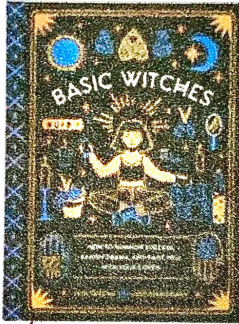

No incense or moon tears required...

by Mandi Em

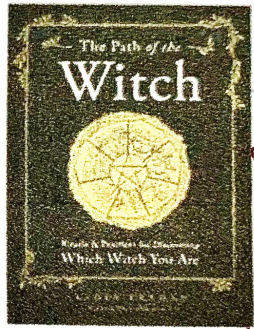

...unless you're into that, ofc.

by Jaya Saxena + Jess Zimmerman

Definitely leave the frogs and spiders alone.

The Path of the Witch

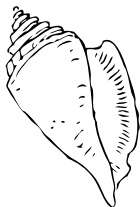

I'm a sea witch, obv.

w/ a dash of faery witch for spice...

there's totally a difference.

by Lidia Pradas
